OLD BUSINESS

The topic of safes was brought up. Donna showed the council the brochures she had on safes. After much discussion, a motion was made and seconded that the Council appropriate \$1400 for the purchase of a safe. The motion carried.

A discussion was held on the purchase of land for a town park. The council discussed giving Mrs. Tuma \$1000 earnest money to hold the seven acres we are looking at. Donna has spoken with Steve Cambell and he has agreed to help her write a grant to help purchase the land. It was also brought up that a survey may be necessary before the land can be purchased. A motion was made and seconded to give Mrs. Tuma \$1000 dollars to hold the land for us. The motion carried.

A discussion on roads was held. There are still a few roads that need attention. Tim Jackson will do some culvert work on Vaughn Road. Some work is also needed on Bud Mckinley Road. Rick will call Larry Williams to get a possible date for chip-n-seal on the few remaining roads that need it.

Kurt Belote gave the financial report. It was approved as read.

On the topic of street lights, Rick says an Entergy engineer is supposed to be getting in touch with him in the next few days to discuss the subject. He will report back to the council at the next meeting.

A motion was made to adjourn at 7:30 p.m. Motion passed and the meeting was adjourned.
