Minutes the 41st Council Meeting
April 6, 2006

Meeting was called to order at 7:10 by Mayor Qualls. All council members were present. The previous meetings minutes were read and approved. The financial report was given.

Rick brought up the subject of Shady Brook Lane. We stated that after reviewing the records that Shady Brook Lane was never a county road and did not meet the towns criteria for inclusion as a town road because it did not have 3 houses on it at the time that the decision was made. He allowed that it did have 3 houses now. He felt that it should not be included as a town road, but that if it was, then Derringer Road and Pops Place should also be included. After considerable discussion Tim Stockdale moved that Derringer Road, Pops Place and JMC Lane be accepted as town roads and that Shady Brook Lane be continued as a town road. After more discussion he amended the motion to state that Derringer Road and Pops Place be added and that Shady Brook Lane be continued. It was seconded and approved unanimously. JMC Lane will be considered separately after legal issues concerning retroactive compensation for the paving there have been researched.

Ivan reported on the progress on "No Outlet" signs. He estimated that the project will cost approximately \$3,000. He will order the signs.

Jerry reported that he thought that Shady Brook Lane would need a culvert parallel to the road where it runs into the highway.

Ivan said that he was afraid that we had missed the deadline to file for election in the November election and Rick said that the deadline that had passed had only been for the Primary Election.

The next meeting is scheduled for June 8th. Meeting was adjourned at 8:00 PM.
