

Minutes of the Tenth Meeting of Town Council of Fountain Lake, Arkansas January 24, 2002

Meeting was called to order at 7:00 by Mayor Roy Hickman. Don Nobles gave the invocation. Minutes of the last meeting were read and approved. Roll was called and a quorum was found to be in attendance. The financial report was given.

Roy read a letter from Sean Meader requesting confirmation that the Town of Fountain Lake was intending to be responsible for the maintenance of Old Stagecoach Road. It was decided to answer the letter in the affirmative.

Jerry initiated a discussion about road maintenance and improvement. It has been determined that the Town is not required to initiate a formal bid process for projects costing less than \$20,000. Discussion ensued about the process that should be utilized in obtaining quotes for work on the roads. It was decided that particular care needed to be exercised in assuring that all quotes for work to be performed be for the identical scope of work. Jerry reported that he had set up appointments with a couple construction companies for next week to drive the town roads and initiate the process for obtaining quotes for work.

February 24th was set as the date of the next council meeting.

Jerry suggested that the Town consider contributing a small amount of monies to the Fountain Lake Fire Department for the use of the station for meetings. The ensuing discussion was negative about doing that.

Tracie moved that the meeting be adjourned, and it was at 8:10
