

Minutes of the 18th Meeting of Town Council of Fountain Lake, Arkansas December 2, 2002

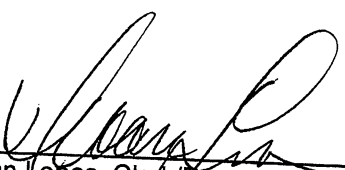

Meeting was called to order at 7:05. Willard Ragsdale gave the invocation. Minutes were read and approved as read. Roll was called and a quorum was found to be in attendance. The financial report was given.

Old business was called for and Roy reported that he had received communication from Larry Williams concerning the paving of Old Stagecoach Trail, and though previous communications with Larry Williams stated that Old Stagecoach Trail was ready to pave in its present condition, the new communication required that additional work be performed on the road before it was ready to be paved. Action on the subject was deferred until the new council takes over in January.

Jerry Wright gave the road committee report. He reported that Tim Jackson had completed repairs on Mungle Trail, Old Stagecoach Trail and Hillvale Garden Trail. Tracie Taylor moved that the Treasurer be authorized to pay Mr. Jackson when his bill was presented. It was passed. Jerry then reported that Tim Jackson was not capable of doing any vertical mowing of the high brush along the side of the roads and that he had the name of a man in Malvern who did most of that kind of mowing in the area, and that he would contact him.

Roy then gave particular thanks to the Honorable Jerry Wright for his work heading up the road committee.

Meeting was adjourned at 7:20
