Minutes the 40<sup>th</sup> Council Meeting  
January 12, 2006

Meeting was called to order at 7:00 by Mayor Qualls. A quorum was present. Aldermen Carl Sheets and Tim Stockdale were not in attendance. Minutes of the last meeting were read and approved.

Old business was called for. Rick brought up the subject of Shady Brook Trail and said that in light of new information received after the November meeting, the road did not meet the town standards for development and maintenance and that he was considering vetoing the council resolution from last meeting. Ivan suggested that further discussion be tabled until a meeting with the full council and Mrs. Fasen present. It was decided to do that. Clyde suggested that we get a written legal opinion about the existing Fountain Lake road standards and requirements for inclusion of new roads.

The 2006 budget was presented and approved.

New business was called for. Rick reported that the ditch alongside Hillvale Garden Trail had been repaired, but that the bill for the work had not been received yet. Rick suggested that Bud McKinley road be chip and sealed rather than paved with asphalt as previously discussed. Street lights are pending as soon as Entergy has the crews available. Ivan and Jerry were assigned to purchase and arrange for installation of Dead End and No Outlet signs at all necessary intersections.

Rick brought up the subject of the next election and suggested the council members prepare to file the necessary forms. He also noted that he will not seek reelection as he will be running for the school board.
