

The Town of  
Fountain Lake, Arkansas  
7148 Park Avenue  
Fountain Lake, Arkansas 71910

Minutes the 48<sup>th</sup> Council Meeting  
February 5<sup>th</sup>, 2007

The meeting was called to order by Mayor Stockdale at 7 PM. All council members present except Donna Beloit and Jane Tuma. Frank made a motion to allow the Budget and Finance Committee full authority, without need of a special meeting of the Fountain Lake Town council, to transfer Fountain Lake Town funds as needed within Summit Bank or any other financial institution that provide the highest interest and/or is most beneficial to the Town of Fountain Lake. The motion was seconded by Clyde.

Clyde requested that Bud McKinley road be repaired with chip and seal when the county paves the roads approved by the previous council. Perriwinkle Rd is now in the town and will need to be paved in the future.

Tim contacted Entergy about street lights and he is awaiting a response from them.

Tim also contacted the State Highway Dept about the safety issue concerning dead man's curve. They will research past history of accidents and initiate improvements such as signs and barriers and will monitor the response to these measures. If no improvement they will make changes in the road configuration. The Department requested a letter stating the issues and our concerns.

Don Nobles suggested that the highway department also be contacted about moving the Fountain Lake town sign on Hwy. 5 to include the newly annexed areas.

The meeting was adjourned at 7:17 PM

  
Town Clerk

  
Mayor
