Committee Reports

Road Committee – Repair of roads is pending the end of the rain. Repairs are still pending on Needham Rd and to fill potholes on Bud McKinley, DonNobles Trail and West Sheets Trail.

Budget and Finance committee –report not available but Frank reported that no money has been received from FEMA.

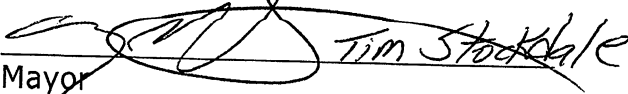

A Motion to approve the reports as read was introduced by Frank and seconded by Donna. The reports were unanimously approved as read.

New Business – Tim made a Motion that we approve sending registration fees to the Arkansas Municipal League for the annual conference. Representatives would include Mayor Tim Stockdale, Councilperson Jane Tuma and Treasurer Margaret Bushong. A guest from the community would be Kathy Raab. The Motion was seconded by Frank Pfenenger.

Carl Sheets distributed a letter he received from Roger Needham of Needham Rd. This road is well known to the Council for the need for substantial repair from erosion. Mr. Needham recommended the Town engage in obtaining bids from several contractors to resurface the entire road. He also suggested that the Town hire an attorney and a road inspector to ensure the quality of the road. Although no Motion was made Tim Stockdale suggested that the cost was probably prohibitive for a single road repair. The letter was tabled for action in the future. Tim Stockdale will contact Tim Jackson for his estimate in repairing pot holes on several of the roads.

Meeting was adjourned at 7:30 PM
